## Registration requirements:

1. Registration for courses implies the acceptance of the internal rules and regulations called "Sanitary Protocol of the Association Philotechnique", available on our website.
2. Depending on the ongoing health situation and in sync with the government's guidelines on public health, the Association Philotechnique may need to "check" government authorised Covid Pass/health pass in order to attend its courses/classes.
3. In the event of a public health risk or transport strike, the association may be required to provide one or more online courses.
4. I cannot, attend a course in which I am not enrolled under any circumstances.
5. To change courses, I must apply in advance to the Association's office and not to the teacher.
6. The Association Philotechnique reserves the right to cancel or postpone any course of which staff is inadequate.
7. **In any case, fees and tuition cannot be refunded - except courses cancelled by the Association.**
8. The enrollment is strictly personal. It is not accessible to anybody else.

I declare that I have read and accepted the above registration conditions.

**I refuse** that the Association Philotechnique use any photograph of myself, taken within a group in the context of the activities of the Association - tick the box →
